

Privacy Policy

Last updated: 31/01/2019

DiRoots operates <https://diroots.com> and desktop apps that interact with google cloud services. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site.

We use your Personal Information only for providing and improving the site and our desktop apps. By using the Site and/or our desktop apps, you agree to the collection and use of information in accordance with this policy.

Information Collection and Use

While using our site and/or desktop apps, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name, your computer name and email address.

Log Data

Like many site operators and software development companies, we collect information that your browser sends whenever you visit our Site and we also collect information about our software usage in order to improve our products and provide you a better support assistance.

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, computer name, user name, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

In addition, we may use third party services such as Google Analytics and other cloud services that collect, monitor and analyze this information in order to improve our products and services, provide you a better usage experience and provide you the best custom support possible.

Communications

We may use your Personal Information to contact you with newsletters, marketing or promotional materials and other information that we consider relevant for you. We hate spam, so we'll only send you content of your best interest and you can opt-out at any time, with a simple click.

We also collect and store your Personal Information to establish support communications whenever needed (fix bugs, help you solve some constraint you may have during the usage of our software and to inform you about updates).

Google Drive Access

SheetLink, a Revit add-in developed by DiRoots, may request you access to your files stored in your Google Drive account. This access has the only purpose of allowing you to import and export spreadsheets to and from our app. SheetLink runs in your computer and your files will never be read, stored or shared by DiRoots.

Collecting your email, profile information and 'openid' has the only purpose of provide you the best experience and assistance while using SheetLink. This information is never shared with 3rd party entities.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Changes to This Privacy Policy

This Privacy Policy is effective and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website.
